Common Table Reminders

- The food request list changes for every race, **PLEASE CHECK EMAILS**
- If you cannot contribute your assigned food item or if you have been assigned a fruit or vegetable that is not readily available, please make an equivalent contribution. For example, if strawberries are unavailable pick a different type of berry, or if there are no ripe cantaloupes bring a different type of juicy melon.
- Food requests are to be sent with your son/daughter on the bus. They are collected at boarding time, and we will have coolers for the perishable items.
- We recommend that you send your food request in a disposable container (Ziplock's are good, they save space in our coolers). If sent in a personal container, please make sure that **you or your athlete** pick the container up before you leave the race.
- **EACH ATHLETE SHOULD BRING HIS/HER OWN LUNCH AND WATER BOTTLE** (the Common Table is only intended to be supplemental nutrition and hydration)
- If you do not see your athlete's name on the list, please donate \$5
